

LET'S GO UP NORTH!

Featuring Duluth
July 21 - July 26, 2023

Day 1: Home to Grand Rapids, MN

You'll arrive in Little Falls this morning for a guided tour of the **Charles A. Lindbergh Home and Museum**. Learn how life on the Mississippi River shaped the character of this inventor and aviation pioneer.

Day 2: Grand Rapids, MN to Mountain Iron, MN

The day begins with a guided tour of the **Judy Garland Home and Museum**. Enjoy the collection of Judy Garland and Wizard of Oz memorabilia, including the original carriage featured in "The Wizard of Oz." After lunch, visit the **Forest History Center**, where you can experience the stories of the north woods and learn about the loggers who called the forests home. Arriving in Hibbing, at the **Hull Rust Mahoning Open Pit Mine**, witness what is known as the "Grand Canyon of the North." The day concludes at the **Minnesota Discovery Center** in Chisholm. When iron mining exploded, people immigrated to northern Minnesota from nations around the globe, bringing rich traditions and customs of their homelands. The Discovery Center celebrates the enormous fortitude of the people during this critical part of our state's history.

Day 3: Mountain Iron, MN to Duluth, MN

A guided tour of the **North American Bear Center** starts the day. Enjoy a Behind the Scenes tour to meet the bears up close and learn about the myths and misconceptions of black bears. At the **Dorothy Molter Museum**, visit the original cabins of the "Root Beer Lady" and enjoy some of her root beer! The afternoon also includes a visit to the **International Wolf Center**, where you can see the pack in a natural environment and talk with the naturalists to learn more about the wolves.

Day 4: Duluth, MN

There is no better way to see Duluth than by a **Vista Fleet Grand Sightseeing Cruise**. A narrated tour aboard the Vista Star puts you right into the region's most spectacular scenery! After lunch, explore the **Lake Superior Maritime Museum**, where you can learn about the history and dangers of shipping on the lakes. Your day concludes with a self-guided tour of the magnificent 39-room **Glensheen Mansion**. Time is allowed for you to explore both the mansion and the grounds of one of Minnesota's most wealthy and influential families.

Day 5: Duluth, MN

The morning is yours to enjoy Canal Park on your own. Then take a ride on **The Duluth Zephyr Dome Car** train in First Class accommodations for a trip through downtown, along the shoreline of Lake Superior, and through the historic Congdon neighborhood wooded area. Later enjoy the North Shore Drive as you make your way to **Split Rock Light House** for a self-guided tour. This lighthouse has been protecting ships since 1910 and offers a glimpse into life in this remote and spectacular setting. You'll stop at the ever-popular **Gooseberry Falls** for viewing on the way back to Duluth.

Day 6: Duluth, MN to Home

Before returning home, you'll visit the **Fairlawn Mansion & Museum** in Superior, Wisconsin. Once the home to a lumber and mining baron, it later served as a home for less fortunate children. You'll arrive home this evening.
